

REQUIREMENTS FOR ADMISSION TO AU SABLE VALLEY CENTRAL SCHOOL

2016 - 2017

Student Name: _____ Grade: _____ Entrance Date: _____

IMMUNIZATION REQUIREMENTS

New York State (NYS) Public Health Law requires proof of the following immunizations (within 2 weeks of entering school if transferring within NYS or within 4 weeks if transferring into NYS):

- I. Diphtheria Toxoid-Containing Vaccine - three doses
- II. Tetanus, Diphtheria, and Pertussis Booster (Tdap) - all students born on or after 1/1/94 and enrolling in Grades 6 through 11 for the 2012-2013 school year
- III. Polio vaccine (IPV or OPV) – three doses
- IV. Measles, Mumps, Rubella (MMR) - measles vaccines, total of two doses; one dose each of mumps and rubella (preferably as MMR)
- V. Hepatitis B – three doses (exception: 2 dose adult series)
- VI. Varicella (chicken pox) – one dose for all students born on or after 1/1/98 OR after 1/1/94 and enrolling in grades 6 through 12

HEALTH CERTIFICATE/ APPRAISAL REQUIREMENT

NYS Education Law requires a health appraisal by a NYS licensed physician for all new entrants within 30 days of entering school. The Health Appraisal is acceptable if administered not more than twelve months prior to the commencement of the school year in which the examination is required.

DENTAL HEALTH CERTIFICATE

NYS Education Law also requests a dental health appraisal from a NYS licensed dentist for all new students within 30 days of entering school. The Dental Health Certificate is acceptable if administered not more than twelve months prior to the commencement of the school year in which the examination is requested.

ACKNOWLEDGEMENT OF ADMISSION REQUIREMENTS

I have been informed of the above requirements for admission as required by NYS Education Law. If the school does not receive evidence of immunization within the specified period, my child will be excluded from school until such time as the evidence is received.

Signature of Parent/Guardian Date
