

**AUSABLE VALLEY CENTRAL SCHOOL
PRE-K TRANSPORTATION FORM
2018 – 2019 SCHOOL YEAR**

Important information regarding Pre-K Student transportation

The AuSable valley Central School will be providing bus transportation for most Pre-K students, to and from school. Only students who live in remote areas may have to meet a bus at a designated pickup/drop off area. Please take note of the following:

The bus **WILL NOT** drop off a Pre-K student unless the bus driver can see an adult. If you want an older sibling to take responsibility for your student then we will need a signed note specifying that.

Please have your student ready for the bus in the morning.

If your child is going to an alternative drop off site, please have a bus note provided to the school (attached). If you must call during the day for an alternative drop off, please call the school by 1:00 pm.

If you live in a remote area and your child will not be riding the bus on any given day, please call the bus garage at (518) 834-2851 by 7:15am to let them know your child does not need a ride.

If you have specific questions or concerns regarding transportation please call the bus garage at (518) 834-2851.
