

AuSable Valley Central School

AVCS Announces 2019-20 Pre-Kindergarten Program Registration

Dear AVCS Community Members,

We are pleased to announce that in the District's on-going effort to support early learning opportunities at AVCS for our children and communities, we will once again be supporting multiple Pre-Kindergarten programs at AVCS for the 2019-20 school year. Programs will continue to be provided at multiple sites within our School District in both AuSable Forks and Keeseville. We expect the Fall classes to begin on or about September 5, 2019.

The AuSable Valley Central School District's Pre-Kindergarten Early Childhood Program allows us to offer a free and high quality educational environment for children who are 4 years of age on or before December 1, 2019, regardless of race, ethnicity, religion, or disability. In Au Sable Forks, we will be offering a collaborative Pre K program as we continue our partnership with ACAP/Head Start for the 2019-2020 school year. All Pre K classrooms will be full day programs open to families of the District.

Pre-K students that are 4 years old at the time school starts will be bused to and from the Pre-K sites. If your child is 3 years old at the time school starts, parents will need to provide transportation to and from the Pre-K sites. Breakfast and lunch will be provided under the provisions of our school lunch program. As soon as your child turns 4 years old he/she will then be transported to and from school by AVCS.

Parents or Guardians who are interested in registering their children for the 2019-20 school year can find the application on the District web site (www.avcs.org), or they may call the Pre-K Coordinator June Zerrahn at (518) 834-2800 x 4124 to request a registration package. Applications, along with supporting documentation must be received by June Zerrahn at the AuSable Forks Elementary School, PO Box 727, AuSable Forks, NY 12912 by Friday May 3, 2019. The program will have a limited number of openings and a lottery process will be used by the District to select students for the program. Any students who do not get selected will be placed on a waiting list.

We continue to be very excited about this terrific opportunity and look forward to working together to provide high quality Pre-Kindergarten Programs to the children of our wonderful communities. Any questions regarding the program or the registration process should be directed to June Zerrahn at 518-834-2800 x 4124.

Thank you for your continued support of our School District and for helping to make a difference in the lives of our children.

Sincerely,

Paul D. Savage II
Superintendent

AVCS Board of Education
